

PUBLIC NOTICE
City of Ocala, Florida
Community Development Block Grant (CDBG)
Notice of Funding Opportunity (NOFO)

The City of Ocala is in the process of soliciting proposals for a public facility/infrastructure project identified in its **2022-2023 Annual Action Plan (AAP)**.

The 2022-2023 Annual Action Plan Project

The Consolidated Plan covers the 5-year period beginning on October 1, 2019, and ending on September 30, 2024, and provides the framework for the planning process used by the City to identify goals, strategies, and objectives for addressing priority housing, homelessness, community, and economic development needs and resources, and to tailor a strategic plan for meeting those needs as required by the U.S. Department of Housing and Urban Development (HUD). The strategies are carried out each year through an Annual Action Plan, which provides a concise summary of the actions, activities, and specific federal and non-federal resources to be used each year to address the priority needs and specific goals identified by the Consolidated Plan. The City's accomplishments and progress toward Consolidated Plan goals are reported in the Consolidated Annual Performance and Evaluation Report (CAPER).

Proposed 2022-2023 CDBG funding for Public Facilities/Infrastructure: **\$70,000.00**

Building must be used to mostly serve citizens whose total household income is no more than 80% of the Area Median Income (AMI) for Marion County. Proposals should include a synopsis of the project, the number of low-income persons estimated to be served from February 1, 2024-September 30, 2024, and at least two quotes for construction. Proposals are due by Friday January 12, 2024.

For more information or to submit proposals for a public facilities/infrastructure project, please contact James Haynes, Director, Community Development Services, at (352) 629-8312 or jhaynes@ocalafl.gov.
